This recycling center is open to the public for its convenience. Please be considerate of others and follow proper disposal procedures. Any jams to the Containers and/or Compactors during the weekend will not be cleared until Monday morning – making the container OUT OF SERVICE for the remainder of the weekend.

If you find a jammed container when you arrive, please call:

Mon. – Thurs. 517-264-4511

If no answer, leave a message or AFTER Office Hours (Monday through Friday) call 517-264-4738 for assistance.

EMERGENCY: Call 911

REDUCE:

- Produce as little waste as possible
- Buy just enough paint, insecticide, etc. to *do the job*
- Buy in bulk
- Avoid over-packaged items
- Make 2-sided copies
- Use cloth vs. paper when possible

REUSE:

- Reuse products whenever possible
- Reuse products in different ways (vs. the intended use)
- Sell old clothing, furniture, toys, etc. in garage sale, online or through ads
- Donate to charities

RECYCLE:

- **THINK** before you throw something away – can it be reused?
- Trade for something you need
- Buy products that can be recycled
- Buy products made from recycled materials
- Use recycled paper
- Utilize local recycling day events
